What was this place?

*Probably the most asked question!
The answer is "it's always been a café".*

The café was built in 1926 by Ruby Cars of Torquay to bring their customers to Widcombe for Cream Teas while visiting Dartmoor, in what were then called charabancs. Charabancs were open topped mostly wooden vehicles, but with engines!

We believe that The Café on the Green is the original, purpose built Cream Tea destination on Dartmoor.
